

When recording on the classroom computer in the following lecture halls, the wireless microphone can be captured via these instructions:

BS3 1200	EH 1200	HIB 100	PCB 1100	SSLH 100
ELH 100	DBH 1100	HSLH 100A	PSLH 100	SSPA 1100

**1**

Start by double-clicking the TechSmith Relay icon

**2**

Log In to TechSmith Relay

**3**

Verify your microphone setting as "Built-in Input: Line-In"

Select a camera (optional)

Select display

Check the recording volume

Start recording

Select a profile

Enter a title based on course code or class name (be consistent with all recordings)

**4**

End recording

**5**

Trim your recording

Preview your recording

**Submit** presentation and wait 2 minutes before logging off or shutting down

**Discard** presentation

**Recordings may be lost if user logs out:**

- While recording, before pressing Stop
- After recording, before pressing Submit

**Note:** While recording, if computer is idle for 120 minutes, a logout will automatically occur.
